

The image shows the exterior of the St. Francis Winery building. It is a two-story structure with a light-colored stucco upper level and a brick lower level. A prominent feature is a balcony with a dark metal railing and decorative brackets. A large tree with green and yellowing leaves stands in front of the building. The sky is overcast.

# About Us

St Francis Winery Resort is a 41-room property. The Resort is situated on 5 acres overlooking Lake Carew Reynell and built around the circa 1852 winery building. This historic building is now widely used as a conference venue for corporate business from all around Australia and as one of South Australia's premier wedding venues.

Just a short journey from the city to Adelaide's south and the gateway to the McLaren Vale Wine region, St Francis Winery is picturesque, which offers 3.5 star accommodation, gaming room (18+), heated indoor swimming pool, conference, convention, wedding facilities, and Walters Bistro.
